

How to Read Your Audit

Your degree audit may look a little intimidating, but it's much easier to read than you might think!

**This chart shows you what
the colors on your audit mean.**

 Complete  In Progress  Unfulfilled  Planned

Completed: courses that you have taken and finished with a passing grade

In Progress: courses you are currently enrolled in

Unfulfilled: courses you still need to complete to graduate (courses that are not completed, not in progress, and not planned are unfulfilled)

Planned: planned courses will only show up on your audit if you specifically run an audit with planned courses

The first requirements you will see on your audit

- >  MINIMUM U OF U GPA REQUIREMENT
- >  TOTAL HOUR REQUIREMENT
MINIMUM OF 122 CREDIT HOURS REQUIRED
- >  UPPER DIVISION HOURS
MINIMUM OF 40 UPPER DIVISION HOURS REQUIRED

Total Hour: shows your progress towards the 122 credit hours required for graduation

Upper Division Hours: 40 of your total 122 hours must be courses of 3000 level or higher
